

THE STANDARD-SETTING BOARDS NOMINATIONS COMMITTEE ISSUES NEW GLOBAL INVITATIONS FOR VACANCIES ON THE IESBA AND THE IAASB

Madrid, 10 March, 2025

The Public Interest Oversight Board's Standard-Setting Boards' Nominations Committee (SSB NomCo) has issued Invitations for Applications to serve as board members on the International Ethics Standards Board for Accountants (IESBA) and the International Auditing and Assurance Standards Board (IAASB) for vacancies commencing on 1 January 2026.

- The [IESBA Invitation for Applications](#) is for one practitioner member, as defined in the Monitoring Group Recommendations.
- The [IAASB Invitation for Applications](#) is for one individual from a diverse background other than a practitioner.

Members of the IESBA and the IAASB are taking on a more strategic role within the multi-stakeholder compositions of the standard-setting boards to develop high-quality auditing, assurance, ethics, and independence standards in the public interest. The international standards are essential for enhancing confidence in corporate reporting and in the services of professional accountants, auditors, and other assurance providers.

Qualified individuals who meet the targeted profiles described in the Invitations for Applications are invited to apply online through the application portal.

The application period is open until 11 May 2025.
