THE PIOB APPOINTS NEW MEMBER TO THE PIOB STANDARD-SETTING BOARDS NOMINATIONS COMMITTEE

Madrid, 18 March, 2025

The Public Interest Oversight Board (PIOB) is pleased to announce the appointment of Megan Zietsman as member of the PIOB Standard-Setting Boards Nominations Committee (SSB NomCo). This appointment is part of the first rotation of SSB NomCo members, as announced on December 11, 2024. See Press release.

Megan Zietsman is the Global Audit & Assurance Quality, Risk and Regulatory Leader at Deloitte Touche Tohmatsu Limited. She is a Certified Public Accountant and a Chartered Accountant (South Africa).

Having served as a member (from 2014) and later Deputy Chair (from 2017 to 2019) of the International Auditing and Assurance Standards Board (IAASB), Megan is perfectly placed to bring a wealth of experience to the Committee. She has also been a board member of the Public Company Accounting Oversight Board (PCAOB), where she additionally served as Chief Auditor and Director of Professional Standards.

Established in 2021, the SSB NomCo is a key structure of the PIOB, responsible for making recommendations in respect of appointments to the IAASB, the International Ethics Standards Board for Accountants (IESBA), and their Stakeholder Advisory Council (SAC).

Linda de Beer, PIOB Chair commented: "We are privileged to appoint Megan, with her rare background of having been an auditor, regulator and standard-setter, onto our PIOB SSB NomCo. This strengthens our ability to ensure that the Standard-Setting Boards represent multi-stakeholder perspectives without diluting the importance of technical skills to support high-quality international standards."
